Dear Sir or Madam,

We hereby confirm that – as far as we are aware that contributions are due – you are not in arrears with contributions on the date this certificate has been issued. 119 employees are currently our members.

This certificate does not exempt the lessor from the liability for paying the contributions in connection with the supply of temporary employees pursuant to the German Personnel Leasing Act.

If not revoked previously, this certificate is valid until 26.06.2014 inclusively

Yours sincerely,

Your
